Bait Regulations Species	Bag Limit
Mud prawn	50
Sand prawn	50
Bloodworm	5
Pencil Bait	20
Cuttlefish	2

Note: No bait collecting is permitted between sunset and sunrise. No bait collecting is allowed in the bait reserve and it is illegal to buy bait from informal sellers.

Size limits are in cm and taken from tip of nose to fork of tail. Bag limits are the number of fish / bait per person per day.

Appropriate fishing and bait permits are available from the Post Office.
